FEES AND CANCELLATION POLICY

Please read carefully:

FEE: Drs' Khan's fee is \$200 for the initial session, and \$165 for subsequent sessions. I understand and acknowledge that in case insurance did not pay for services, I will be responsible to pay for all professional services for myself and/or my dependents.

CANCELLATION: Scheduling an appointment involves the reservation of time specifically for you. Therefore, a minimum of 24 hour notice is required if you wish to reschedule or cancel an appointment. A \$50 fee will be charged for sessions missed without such notification. Please understand that this is done because short notices make it impossible for Drs. Khan to schedule someone else in your time slot. In addition, insurance companies do not reimburse for missed appointments. However, if an emergency arises, no charge will be applied to your account. Please sign below to verify that you fully understand and agree with the cancellation policy.
